Re: Griffin Ranch PUD Homeowner's Association Approval of Lot Line Shifts for Glick and Bostwick.

To Whom it May Concern,

This letter is being sent from the Griffin Ranch PUD Homeowner's Association Board of Directors and Officers. We approve the purchase of Lot 17, Block 2, Phase 3 of Griffin Ranch P.U.D. Subdivision by Josh and Nancy Glick and Janet Bostwick. This Lot is also known as 107 Gus Lane, Bellevue, Idaho. Further we approve the Lot Line Shift they are proposing to benefit an adjoining Lot.

The Board of Directors and Officers finds no significant impact to any other Lot Owners. The Lot use will still be subject to approval by the Griffin Ranch P.U.D. Design Review Committee.

Thank you for your consideration.

Sincerely,

Cheri Hicks

For the Board of Directors and Officers
